Notice of Dividend Forecasts

This is to announce that Krosaki Harima Corporation (“the Company”) has determined the forecast of the year-end dividends for the fiscal year ending March 2022, which were previously undetermined, as follows.

1. Reasons for the Revision to the Dividend Forecast

As a policy of profit distribution, the Company sets its consolidated payout ratio at around 30% as a general rule. Based on this policy, the Company has determined its forecast for the annual dividends to be ¥200 per share and that for the year-end dividends to be ¥100 per share for the fiscal year ending March 31, 2022.

2. Revision to Dividend Forecasts
